To Whom It May Concern:

Ref: Letter of Recommendation for Christie Stucker

I have gotten to know Christie this past year. Christie came to our Student Government Association and was immediately interested in helping SGA grow and flourish. She became vice president almost immediately and has many ideas, and is always willing and ready to implement them. She is currently our Marketing and Personal Relations officer.

Christy is a very trustworthy, dependable, consistent and reliable person. She is always willing to step up and help where she is needed. She has a wonderful attitude, a beautiful smile, and warm heart. She has a very good way with people.

Christie is well liked by everyone on campus. She is courteous and respectful of others. I am fortunate to know Christie and know she will achieve whatever goals she may set.

Sincerely,

Cheryl Patton
